All participants must have at least one-year of high school eligibility remaining

No out-of-state teams will be eligible to compete in the State Tournament

All teams must have an adult sitting on the bench for games (or head coach in attendance).

State Tournament Pool Play:

The field of teams will be divided into pools, to determine seeding for bracket play. BUT, all teams will have the opportunity to advance in the bracket to win the Summer State Championship.

State Tournament Pool Play Tie-Breakers:

If 2 teams have the same record at the end of pool play, the first tie-breaker is head-to-head, followed by pool play differential, and if necessary total points scored.

If 3 or more teams are tied at the end of pool play, the first tie-breaker is point-differential involving the games versus the tied teams, followed by total points scored. Once a winner has been determined, the remaining 2 teams will follow the 2-way tie-breaker format.

Tournament Withdrawal Policy:

A team withdrawing from a tournament creates numerous issues and needs to be avoided if possible. This withdrawal policy is in place to compensate Texas Basketball Championships for having to scramble last-minute to change workers, officials, and game schedules.

- For any team withdrawing before June 14th, a fee of \$50 will be charged and the balance will be returned to the team.
- For any team withdrawing on or after June 14th, there could potentially be no money refunded to the team.
- Any request to withdraw needs to be submitted by email to Kstarnes@texasbasketballchampionships.com.
